Good Afternoon Dr. Jayjock,

Thank you for your prompt response.

Please plan to fully participate in the TSCA SACC Peer Review Meeting for Asbestos occurring the week of April 27th. If time allows and the virtual meeting ends early, then please join the SAB COVID-19 Review Panel teleconference.

Even though you might not be able to attend the SAB COVID-19 Review Panel teleconference on April 30th, we would like for you to be part of the SAB COVID-19 Review Panel and contribute in the development of the draft report.

Your expertise and time are much appreciated in both efforts.

Let us know if you have questions.

Best,

Zaida Figueroa

Dear Zaida,

I am on the SAB panel to review the Agency's draft risk assessment of Asbesto. I have been asked to hold the week of April 27th open for a WebEx meeting occuring 4/27 to 4/30. I am copying my DFO - Diana Wong so that you good folks can work where I should be on the 30th of this month.

Best Regards,

Mike
